TOTUMO VOLCANO

The Totumo volcano experience is unique because you can immerse yourself in the hot mud and float in it. The mud is believed to have therapeutic properties for the skin, which is why many people consider it a natural spa. After soaking in the mud, you can wash off the excess mud in a nearby lagoon. In addition to the Totumo Volcano experience, you can also enjoy a delicious snack typical of the region. The gastronomy of the area offers a variety of traditional dishes that you will surely love.

ECOPLAN PACKAGE

Mambo Beach + Aviary + Plancton

The National Aviary in Cartagena is a popular tourist attraction offered by the Backpackers agency. The aviary is a place where you can enjoy the beauty of various bird species in a natural environment. It offers the opportunity to observe exotic birds up close and learn about their habitat and behavior. In addition, the aviary has conservation and education programs to promote the protection of birds and their environment. It is an ideal destination for nature lovers and those interested in bird watching. The day will end with a unique, magical and incomparable activity: experiencing the Bioluminescent Plankton.
